

Son By Four, Purest Of Pain(Spanglish)

Sorry didn't mean to call you but I couldn't fight it
I guess I was weak, couldn't even hide it
And so I surrendered, just to hear your voice.

Don't know how many times I said I'm gonna live without you,
And maybe someone else is standing there beside you,
But there's something, baby you need to know.
That deep inside me, I feel like I'm dying.
I have to see you, It's all that I'm asking.

"chorus"
Vida, give me back my fantasy. The courage that I need to live,
The air that I breathe.
Cario mio, my world's become so empty. The days are so cold and lonely
And each night I taste the purest of pain.

i wish i could tell u im feeling better everyday that it didn't hurt when u walk away but to tell
that truth i can't find my way
That deep inside me, I feel like I'm dying.
I have to see you,It's all that I'm asking.

"Chorus x2"
Sorry didn't mean to call you but I couldn't fight it
I guess I was weak, couldn't even hide it
And so I surrendered, just to hear your voice.
