

# Son Lux, Weapons

Put down all your weapons  
Let me in through your open wounds

Put down all your weapons  
Let me in through your open wounds

Let me in through your open wounds

Put down all your weapons  
Let me in through your open wounds

Put down all your weapons  
Let me in through your open wounds

Let me in through your open wounds

open wounds  
open wounds  
open wounds  
open

Put down all your weapons  
Let me in through your open wounds
