Sonar Soul, Other Side (feat. Rosalie.)

please don't stop it i am got feeling on and on tonight on and on tonight

my heart stop beating and you will hear it on and on tonight on and on tonight

you should take my pride haah you took me down to the other side and you took my pride

I am giving you some closer I am giving you back I can give it to you on and on you think that you're smart enough for that but you shroud know that I just play real fast

I am giving you some closer I am giving you back are you give up what take you so long? I am giving you some closer I am giving you back just come and give it ti my head
