

# Sondre Lerche, Rosebud

is it all make believe?  
is it all make believe?  
dont abuse the trust i place in you  
if i should bend and brake  
force me to walk and wait  
no one will wait for you  
cause you never ask them to  
if the moment you got caught  
you'd stop and see its enough  
even you are not complete  
ba bo bum ba  
ba bo bum  
ba bum

is it all make believe  
tell me now make believe  
\*\*\*I'm attentive playing you other pegs  
if i should stop to breathe  
just to get over it  
i wouldnt wait for you  
cause you never ask me to  
if a moment you got caught  
deny and reveal your lies  
even you are not complete

for a moment just retreat  
tonight you lie down defeat  
even you are not complete

ba bo bum ba  
ba bo bum  
ba bum  
ba bo bum ba  
ba bo bum  
ba bum  
ba bo bum ba  
ba bo bum  
ba bum  
ba bo bum ba  
ba bo bum  
ba bum
