

Song Parodies, Alderaan (The Beach Boys - Bark

(copyright Steven Cavanagh 1993-2002)

Bye-bye-bye, bye Alderaan

Bye-bye-bye, bye Alderaan

Bye-bye-bye, bye Alderaan

Alderaan, oh Alderaan

Alderaan

My ship is rockin' and a-rollin', rockin' and a-reelin', Alderaan

(Bye-bye-bye, bye Alderaan)

Went on a chase, into hyperspace,

Came out here and you're all over the place!

Alderaan, oh Alderaan

Alderaan

My ship is rockin' and a-rollin', rockin' and a-reelin', Alderaan

(Bye-bye-bye, bye Alderaan)

Bye-bye-bye, bye Alderaan

Bye-bye-bye, bye Alderaan

Bye-bye-bye, bye Alderaan

Planet went kaboom, glad I'm not too soon,

Ain't nothin' here but that small moon!

Alderaan, oh Alderaan

Alderaan

My ship is rockin' and a-rollin', rockin' and a-reelin', Alderaan

(Bye-bye-bye, bye Alderaan)

Bye-bye-bye, bye Alderaan

Bye-bye-bye, bye Alderaan

Bye-bye-bye, bye Alderaan
