Sonia Michalczuk, Skin

When I heard that sound When the walls came down I was thinking about you About you When my skin grows old When my breath runs cold I'll be thinking about you About you

Seconds from my heart A bullet from the dark Helpless, I surrender Shackled by your love Holding me like this With poison on your lips Only when it's over The silence hits so hard

'Cause it was almost love, it was almost love It was almost love, it was almost love

When I heard that sound
When the walls came down
I was thinking about you
About you
When my skin grows old
When my breath runs cold
I'll be thinking about you
About you

When I run out of air to breathe It's your ghost I see I'll be thinking about you, about you It was almost love, it was almost...

We bleed ourselves in vain
How tragic is this game?
Turn around, I'm holding on to someone
But the love is gone
Carrying the load, with wings that feel like stone
Knowing that we nearly fell so far now
It's hard to tell

Yeah we came so close, it was almost love It was almost love, it was almost love

When I heard that sound
When the walls came down
I was thinking about you
About you
When my skin grows old
When my breath runs cold
I'll be thinking about you
About you

When I run out of air to breathe It's your ghost I see I'll be thinking about you, about you

I reached out for your hand When the walls were caving in But I see you on the other side We can try all over again When I heard that sound
When the walls came down
I was thinking about you
About you
When my skin grows old
When my breath runs cold
I'll be thinking about you
About you

When I run out of air to breathe It's your ghost I see I'll be thinking about you, about you

'Cause it was almost love, it was almost love It was almost love, it was almost love
