

Sonic Chaos, Cmon

Hey yo Mac (yeah)
I don't think they're ready for this (na na)

Hey yo, all I want is one beat
One song, one rhyme, just one verse
With one line, one time
Cause I'm here to spread the word
It ain't what you see, yo, it's what you heard
So cmon, cmon, cmon, cmon
It don't matter who are just cmon
White, black, brown, Puerto Rican, or Haitian
It don't matter who you are, we one hip hop nation
So cmon, cmon, cmon, cmon
If you like it what we're saying, then c'mon
We can turn the party out
make the people screat and shout
And then my DJ's gonna do his thing

Uh huh, yeah
DJ cut & cut, cut em up (yeah,uh)

Cmon, cmon, cmon, cmon
If you like it what we're doing, then cmon
We can turn the party out, make the people scream and shout
And then my DJ's gonna do his thing

Cmon, cmon, cmon, cmon
If you like it what we're saying, then c'mon
We can turn the party out
make the people scream and shout
And then my DJ's gonna do his thing

Uh, woo
Hey, yo Mac (yeah)
Man I told ya they wasn't ready for this
(Ah ha, ah ha, ah ha)
