

# Sonic Youth, Death Valley '69

Coming down  
Sadie I love it  
Now now now  
Death valley 69  
You're right you're right you're right  
I was on the wrong track  
We're deep in the valley  
How deep in the gulley  
And now in the canyon  
Way out in the yonder  
She started to holler  
I didn't wanna  
I didn't wanna  
But she started to holler  
So I had to hit it  
Hit it, hit it, hit it  
Deep in the valley  
In the trunk of an old car  
I got sand in my mouth  
And you got sun in yr eyes  
Blinded  
And you wanted to get there  
But I couldn't go faster  
I couldn't go faster  
I couldn't go faster  
So I started to hit it  
I started to hit it  
Hit it  
Hit it
