

# Sonic Youth, I Love Her All The Time

She comes into my mind  
Twisting thru my nerves  
I don't understand  
A word she says  
She's on my side  
I love her all the time  
I love her all the time  
I love her all the time  
I love her all the time

She comes into my mind  
Twisting thru my nerves  
I don't understand  
A word she says  
She's on my side  
I love her all the time  
I love her all the time  
I love her all the time  
I love her all the time
