

# Sonic Youth, Neutral

he's not a dreamer or a schemer  
running away from me  
he's not a singer an entertainer  
with no follow thru  
he's not a poet or a mystic  
with his cigarette unglued  
he's just neutral and he's weary  
not even brand new

it's a perfect sin  
close yr eyes and loose the rest  
it's a perfect sin  
close yr mind and feel the best

everyone has a headache  
imprecise hard to cure  
gotta shake it what ails you  
the lines are a blur  
is it pain in her heart  
dark and gray from the start  
you won't seduce me or attract me  
just cause yr a stray

it's a perfect sin  
close yr eyes and loose the rest  
it's a perfect sin  
close yr mind and feel the best

why won't you tell me what's inside yr head  
why won't you show me yr secret bed

he's not a dreamer or a schemer  
running away from you  
he's not a singer an entertainer  
with no follow thru  
he's not a poet or a mystic  
with his cigarette unglued  
he's not a cowboy or a loner with nothing to do  
he's neutral yeah he's weary  
not even brand new  
he's neutral yeah he's weary  
and he's so in love with you
