Sonic Youth, Panty Lies

Don't just stare, `cause she's not wearing underwear

Em-em-em-em-em-em-em

Oh how rude, at least she's got you're attention square

Em-em-em-em-em-em

Don't you realize, It's just her disguise

Ai-ai-ai-ai-ai-ai

Hey! mum look, no more panty line

Ai-ai-ai-ai-ai-ai

Shoewa shoewa shoewa shoewa shoewa shoewa

Peek-a-boo look into the mirror

Now you see her, now you'll be her

Hover your lips, twirl your hair

Pretend you're there, pretend it ain't there

Little girl playing in the closet

First comes walking, then comes talking

Peek-a-boo look into the mirror

She says: "who am I?"

Inside! outside!

Inside, outside, inside, outside, inside, outside,

Inside, outside, inside, outside

Shoewa shoewa shoewa shoewa shoewa shoewa

Hm-a-hm-a-hm-a

Da-da-da-da

Don't just stare, `cause she's not wearing underwear Em-em-em-em-em-em-em
Oh how rude, at least she's got you're attention square

Em-em-em-em-em-em-em Don't you realize, it's just her disquise

Ai-ai-ai-ai-ai-ai

Hey! mum look, no more panty line

Ai-ai-ai-ai-ai-ai
