

Sonic Youth, Spahn Ranch Dance

Coming down
Sadie I love it
Now now now
Death Valley '69

You're right
You're right
You're right
You're right
I was on the wrong track
We're deep in the valley
And now in the canyon
Out in the yonder
She started to holler
She started to holler
I didn't wanna
And I didn't wanna
But she started to holler
So I had to hit it
I had to hit it
Hit it
Hit it
Hit it
Deep in the valley
In the trunk of an old car
In the back of a Chevy
You got sand in your mouth
I got sun in my eyes
Blinded
And you wanted to get there
But I couldn't go faster
It couldn't go faster
I couldn't go faster
So I had to it
And I had to hit it
And I had to hit it
And I had to hit it
And I had to hit it
Hit it
Hit it
Hit it
Hit it

Coming down [Lee: is it a white girl?]
Sadie I love it [Lee: is it a white boy?]
Now now now
