

# Sonic Youth, Tokyo Eye

Tokyo eye, Tokyo crying somewhere  
Seeking inside, supermen sighing nowhere  
Seven to nine, luck is around this sun bear  
Fur in the night, Kansai woman goes out  
Soak in the eye, Osaka crying for you  
Ship in the light, sing in the water sun dew  
Ticket to die, ticket to ride the junk star  
Shielded in white, Kansai girl in black dew

Tokyo eye, Tokyo crying somewhere  
Seeking inside, supermen sighing nowhere  
Soaking in my eye, soaking in my eye grey leaf  
She dig to cry, she dig to cry love funny  
Fur in the eye, Kansai girl is kiss teen  
Fun in the light, crying away to sun bear
