

SONICFLOOD, You're The Lord Of The Dance

I will live to declare Your glory
And my heart is filled with praise
I will shout and I will sing
For all of my days
Wanna walk in Your holiness
Wanna stand for all Your ways
When You call I will say yes
For all of my days

Wanna die so You can live
Resurrect my heart again
I will tell the world
That You are the Holy One
You are the Holy One
And I worship Your name
You are the Holy One
And I stand amazed
You are the Holy One
