SONICFLOOd, You're The Lord Of The Dance

I will live to declare Your glory And my heart is filled with praise I will shout and I will sing For all of my days Wanna walk in Your holiness Wanna stand for all Your ways When You call I will say yes For all of my days

Wanna die so You can live Resurrect my heart again I will tell the world That You are the Holy One You are the Holy One And I worship Your name You are the Holy One And I stand amazed You are the Holy One
