

# Sonny Boy Williamson I, Got The Bottle Up And Gone

Well, I don't run no fillin' station  
I don't sell no gas  
I done brought my problem  
My burners heat too fast

You got the bottle up and gone  
You got the bottle up and gone  
You know that high-powered mama  
That your papa got your water on

Well now look-a-here, baby  
What you been waitin' on?  
Say ya didn't love me  
I'd-a done been gone

You got the bottle up and gone  
You got the bottle up and gone  
You know that high-powered mama  
You know that papa got you water on

Well, I had a little duck  
An' I named him, Jim  
I put him on the pond  
Just to see him swim

You got the bottle up and gone  
You got the bottle up and gone  
You know that high-powered mama  
You know that papa got your water on

(harmonica and guitar)

Well, ya want ev'rything  
In the latest style  
But I've got wise  
Unto your line of jive

You got the bottle up and gone  
You got the bottle up and gone  
You know that high-powered mama  
That your papa got your water on

Well, if you don't love me  
Why don't you tell me so?  
I know you don't love me  
Baby, no mo'

You got the bottle up and gone  
You got the bottle up and gone  
You know that high-powered mama  
You know that your papa got your water on

(harmonica and guitar)

I can't play no piano  
But I wish I could  
I got a woman  
Don't mean me no good

You got the bottle up and gone  
You got the bottle up and gone  
You know that high-powered mama  
You know that papa got your water on.
