

# Sonny & Cher, Brother Love's Travelling Salvation

[Sonny Talking]

Now gather around folks  
I heard you say  
You wanted a pick me up  
That wouldn't let you down  
You lookin' for a cure  
It's got to be sure  
It's got to be pure  
Got to relieve your sore bones  
Your aching toes and your runny nose  
You got to have the one and only  
Genuine, superfy "Sunshine Sonny the Elixir"  
Buy some, try some  
And you know what folks  
You're gonna buy some  
Now I say it's true  
Now it's up to you  
Whatcha gonna do  
"Sunshine Sonny the Elixir"  
I'm gonna fix you up quick, sir  
"Sunshine Sonny the Elixir"  
It ain't no where we can't fix, sir  
Best relief and it taste good too  
You know what  
The stuff is really good for you

Hot August night and the leaves hanging down  
And the grass on the ground smelling sweet  
Move up the road to the outside of town  
And the sound of that good gospel beat  
Stands a raged tent, where there aint no trees  
And that gospel group, telling you and me

[Chorus:]

It's love, brother love  
Say brother loves traveling salvation show  
Pack up the babies and grab the old ladies  
Cause everyone goes  
Cause everyone knows, brother loves show

The room gets suddenly still and you could almost bet  
You can hear yourself sweat, he walks in  
Eyes black as coal and when he lifts his face  
Every eye in the place is on him  
Starting soft and slow, like a small earth quake  
And then he lets it go, the whole valley shakes

[Chorus]

[Sonny talking]

Now step right up  
And don't be shy  
You can tell by my face  
I'm a nice guy  
How much does this cost, this stuff  
Well lady what's in your purse  
Is good enough

Hallelujah, hallelujah baby  
Hallelujah baby  
Hallelujah

[Chorus x2]

Hallelujah, hallelujah baby  
Hallelujah baby  
Hallelujah baby  
Hallelujah
