

Sonny & Cher, I'm Leaving It All Up To You

I'm leaving it all up to you
You decide whatcha gonna do
Now do you want my love
Or our we threw

[Chorus:]
That's I'm leaving it up to you
You decide whatcha gonna do
Now do you want my love
Or our we threw

My heart in my hands
I, I don't understand
Baby what, what have I done
I worship, I worship the ground
That you walk on

[Chorus]
