

Sonny & Cher, Love Is Strange

La la love is, la la la la love is
La la love is, la la la la love is
La la love is, la la la la love is

Love, love is strange
A lot of people take it for a game
Once you get it you never wanna quit
After you've had it, it all fits

La la love is, la la la la love is
La la love is, la la la la love is
La la love is, la la la la love is
Strange

Many people don't understand
They say love is money in the hand
Your sweet lovin' is better than a kiss
When you leave me sweet kisses are missed

Sonny: Oh Cleo
Cher: Yes Ceasar
Sonny: How do you call your lover boy?
Cher: Oh, lover boy
Sonny: And if he doesn't answer?
Cher: I say come in lover boy
Sonny: And if he still doesn't answer?
Cher: Then I'd say

Baby
Oh, oh baby
My sweet baby
You're the one

Baby
Oh, oh baby
My sweet baby
You're the one

Baby
Oh, oh baby
My sweet baby
You're the one

Mmmmmmmmmmm

La la love is, la la la la love is
La la love is, la la la la love is
La la love is, la la la la love is
