

Sonny & Cher, Set Me Free

Set me free, little girl
All you gotta do is
Set me free little girl
You know you can do it
If you try
All you gotta do
Is set me free, free
Free, free

Set me free, little girl
Why don't you let me be, little girl
You know you can do it
If you try
All you gotta do
Is set me free, free
Free, free

I don't want no one
If I can't have you to myself
I don't need no body else
So if I can't have you to myself
Set me free, set me free

Set me free, little girl
Why don't you let me be, little girl
You know you can do it
If you try
All you gotta do
Is set me free, free
Free, free

I don't want no one
If I can't have you to myself
I don't need no body else
So if I can't have you to myself
Set me free, set me free

Set me free, little girl
All you gotta do is
Set me free little girl
You know you can do it
If you try
All you gotta do
Is set me free, free
Free, free
Set me free, set me free
Let me be
Set me free
