

# Sonny & Cher, Set Me Free

Set me free, little girl  
All you gotta do is  
Set me free little girl  
You know you can do it  
If you try  
All you gotta do  
Is set me free, free  
Free, free

Set me free, little girl  
Why don't you let me be, little girl  
You know you can do it  
If you try  
All you gotta do  
Is set me free, free  
Free, free

I don't want no one  
If I can't have you to myself  
I don't need no body else  
So if I can't have you to myself  
Set me free, set me free

Set me free, little girl  
Why don't you let me be, little girl  
You know you can do it  
If you try  
All you gotta do  
Is set me free, free  
Free, free

I don't want no one  
If I can't have you to myself  
I don't need no body else  
So if I can't have you to myself  
Set me free, set me free

Set me free, little girl  
All you gotta do is  
Set me free little girl  
You know you can do it  
If you try  
All you gotta do  
Is set me free, free  
Free, free  
Set me free, set me free  
Let me be  
Set me free
