

Sonny & Cher, Then He Kissed Me

When he walked up to me
And he asked me if I wanted to dance
He looked kind of nice and
So I said I might take a chance

When we danced I held her tight
Then I walked her home that night
And all the stars were shinning bright
And then he kissed me-Then I kissed her

Each time I saw him
I couldn't wait to see him again
I wanted to let him know
That he was more than a friend
I didn't know just what to do
So I whispered I love you
I said that I love him too
And then he kissed me-Then I kissed her

He kissed me in a way
That I never been kissed before
He kissed me in a way
That I wanna be kiss forever more
I knew she was mine
So I gave her all the love that I had
Then one day I took her home
To meet my mom and my dad
Then he ask me to be his bride
Always to be right by his side
I felt so happy I almost cried
And then he kissed me-Then I kissed her

Then he ask me to be his bride
Always to be right by his side
I felt so happy I almost cried
And then he kissed me-Then I kissed her

And then he kissed me
And then I kissed her
And then he kissed me
And then I kissed her
