(Bridge spoken)

You are, of a beautiful nature,

Changeable, quite questionable,

You are capable of deep intellectual thought,

You can be the most generous and giving,

You have the tendency to thrill, no matter which road you travel,

Your lack of determination can cause you to be the least successful (you are)

(Piano Instrumental)

(Verse)

Fell Somethin movin all over me,

Whatever it is no man can see,

From the crown of ma head to the soul of ma feet,

Spirit is movin, spirit is movin, spirit is movin all-over me!

(Chorus)

Cant Stop Movin, Cant Cant Stop Movin, Cant Stop Movin, I Cant Keep Still-a

Cant Stop Movin, Cant Cant Stop Movin, You don know do-it harm you?

I Cant Stop Movin, Cant Cant Stop Movin, Cant Stop Movin, I Cant Keep Still-a, Told me not to cha

(Chorus repeated until fade out approximately 2 more times)
