

# Sonny J, Handsfree (If You Hold My Hand)

Chorus:

If you hold my hand  
Things  
Won't be the same  
If you hold my hand  
Things  
Are about to change

Summer's gone  
Spring is gone  
Life goes on and on  
And I'm just bored  
To tears

If I could find  
A little space  
To paint a smile  
Upon my face  
And hide the years

If winter comes  
And I'm around to see  
The snow  
Upon the ground  
What can I do  
When I don't have  
The will  
To fight the coldness  
Of the summernights  
Are the darkest blue

(Chorus)

Hold it  
Take it back  
Hold it  
Take it back  
Hold it

(Repete letra)

(Chorus)

Come on

Hold it  
Take it back
