

Sons Of Butcher, We Fuckin Rule

We fuckin' rule all your asses!

I've been raped by pigs
And I'm fine
Blow up the shop
All the time

Basically you're all shit
When you're compared to me
Obviously when I rock
You should be on your knees

We fuckin' rule all your asses
We fuckin' rule all your asses

-Solo-

Rock so hard
I sing shit
Watch the world's biggest tits

Basically you're all shit
When you're compared to me

We fuckin' rule all your asses
We fuckin' rule all your asses
We fuckin' rule
