

Sons Of Ishmael, Do Something Radical

"Keesa booanda kilbasa"
I just love speaking in tongues!
Demon spirits of infirmity
Come out of those lungs!

Do something radical! Do something radical!
Do something radical! Shake yourself!

Place your hand on the screen
"Casa basanta ness"
But don't insult Him
It's one grand and no less.

Do something radical! Do something radical!
Do something radical! Shake yourself!

It takes faith to give one thousand dollars
Especially if you don't have it."
