

# Sons Of The Desert, That's The Kind Of Love You

You wonder what we have  
Will our love start getting old?  
Well maybe when the ocean's dry  
Or when the sun turns cold  
Baby, that's the kind of love you're in  
Baby, that's the kind of love you're in  
All my days I'm by your side  
'Til I have no days left to give  
But from the bottom of my soul  
You're the reason I live  
And baby, that's the kind of love you're in

They're promises by them I will stand  
They're nothing less than everything I am  
I'll walk through fire for you  
Just say when  
Baby, that's the kind of love you're in  
Baby, that's the kind of love you're in

Like a soldier with no fear  
He could die today at war  
He loves the life God's given him  
But he loves his country more  
Baby, that's the kind of love you're in

They're promises by them I will stand  
They're nothing less than everything I am  
I'll walk through fire for you  
Just say when  
Baby, that's the kind of love you're in  
Baby, that's the kind of love you're in

I'll do my best to make sure  
You know you're in good hands  
You can take my word  
I'll do the best I can

They're promises by them I will stand  
They're nothing less than everything I am  
I'll walk through fire for you  
Just say when  
Baby, that's the kind of love you're in  
Baby, that's the kind of love you're in
