

# Sons Of Thunder, Circus Of Power

We are here!  
Bringin' the message of love  
Salvation for the lost  
Like a clown  
We're bringin' the joy to the crowd  
And laughter for the sad

Oh yeah  
We're like clowns,  
We mess up sometimes but  
Oh, but we're not bad nor evil

Welcome, you're welcome my friend  
To the circus of Power  
We exalt the Lord our Master, wo-oh yeah  
Welcome, you're welcome my friend  
To the circus of Power  
Where your sorrow turns to laughter, wo-oh yeah

We are here!  
We travel, we're passing from town to town  
With the good news of the Lord  
On this show!  
We proudly present Him to you  
Christ the risen one

Wo-oh yeah  
We're like clowns open up for the headline show

Welcome, you're welcome my friend  
To the circus of Power  
We exalt the Lord our Master, wo-oh yeah  
Welcome, you're welcome my friend  
To the circus of Power  
Where your sorrow turns to laughter, yeah yeah yeah

We're bringin' sensation tonight  
Are you ready to meet Him now?  
Here we go!  
Rise, give Him your applause  
Meet the Saviour, Lord our God

Wo-oh yeah  
Ha, ha, ha  
We're like clowns open up for the headlight show
