

Sons Of Thunder, God Rulez

For eternity
In the heavens and on the earth
Over all nations He reigns
Over my enemies, over my victories
Over my defeats, He reigns
Despite my disbelief, in my times of pain
He is the great I am, He reigns
Our

God (Forever and ever)
Rulez (Forever and ever)
God (Forever and ever)
Rulez (Forever and ever)

The world is in His mighty hands
Awesome and powerful
Loving still furious, He reigns
Bow down before our mighty Lord
Join the army of the King of Kings
Under His banner we stand
And we say:

God (Forever and ever)
Rulez (Forever and ever)
God (Forever and ever)
Rulez (Forever and ever)

God (Forever and ever)
Rulez (Forever and ever)
God (Forever and ever)
Rulez (Forever and ever)
