

Sons Of Thunder, Victory Song

Yeah, this is our victorysong
A song of hope and faith
When all seems dark and dull
Yeah, this is our victorysong
It makes our hearts believe
And force the dark away.

Yeah, this is our powersong
The spirit of our God
He lives within our hearts
Yeah, this is our powersong
When we believe in Him
The power'll be released

Oooh! Yeah! Our victorysong

Jesus is our victoryname
A name above all names
He reigns forevermore
Jesus is our victoryname
On the cross He won
Salvation for the lost Lost!
