

Sonseed, Born of the Flesh

VERSE 1:

Born of the flesh we are scheduled to die
The wages of sin is death for you and I
Born of the spirit regenerates the soul
Transforms our minds, sets Christ as our goal

CHORUS:

Hallelujah, (echo) hallelujah
Hallelujah, (echo) hallelujah
Hallelujah, (echo) hallelujah
Hallelujah, hallelujah (Alternately) I'm born again, hallelujah

VERSE 2:

If it is You Lord, just bid me to come
The emptiness inside is beating like a drum
Could it be the knock from the Saviour's holy hand
That was pierced for our sins and bled for all man

(REPEAT CHORUS)

BRIDGE:

Hallelujah, hallelujah, hallelujah

VERSE 3:

Now that You are my Saviour and Lord
I partake in the glory that Jesus restored
The word of His grace fills me up and edifies
Provides the inheritance for those sanctified

(REPEAT CHORUS)
