

# SonsOfDay, Riches And Wine

Have you wondered my friend  
How this world will receive you in this place  
When all consider your song  
Under the cinnamon sun  
I've been there  
a~u~u~u~  
so I'll sing for you  
u~u~u~  
and I'll get you through  
u~u~u~  
and I'll run for you  
a~u~u~u~  
and I will  
when life gets harder than love  
You start to search for the light that would shine your way everyday  
and While begging change for sometime  
You dream of riches and wine  
I've been there  
a~u~u~u~  
so I'll sing for you  
u~u~u~  
and I'll get you through  
u~u~u~  
and I'll run for you  
a~u~u~u~  
and I will  
so get up block then you have more to fun  
and the run forward down when you ask for mine  
I've been there  
a~u~u~u~  
so I'll sing for you  
u~u~u~  
and I'll get you through  
u~u~u~  
and I'll run for you  
a~u~u~u~  
and I will lare for you

so I'll sing for you  
u~u~u~  
and I'll get you through  
u~u~u~  
and I'll run for you  
a~u~u~u~  
and I will
