shaam hai, jaam hai, aur hai nasha  
tan bhi hai man bhi hai pighla hua  
chhayi hai rangeeliyan  
phir bhi hain betabiyaan  
kyun dhadakta hai dil, kyun yeh kehta hai dil  
deewana ko ab tak nahin hai yeh pata  
aaj ki raat, hona hai kya,  
paana hai kya, khona hai kya  
aaj ki raat, hona hai kya,  
paana hai kya, khona hai kya  
do ghadi mein hi yahan jaane kya hoga  
jo hamesha tha mera bhi mera hoga?  
kaun kiske dil mein hai faisla hoga  
faisla hai yahi jeet hogi meri  
oh deewana ko ab tak nahin hai yeh pata  
aaj ki raat, hona hai kya,  
paana hai kya, khona hai kya  
aaj ki raat, hona hai kya,  
paana hai kya, khona hai kya  
aao main tumse kahoon baat chupke se  
rang badlegi pal mein raat chupke se  
tumko le jaaonga phir saath chupke se  
jaaoge tum kahan, dekho main hoon yahan  
deewana ko ab tak nahin hai yeh pata  
aaj ki raat, hona hai kya,  
paana hai kya, khona hai kya  
aaj ki raat, hona hai kya,  
paana hai kya, khona hai kya
