

# Sony James, Dance Her By Me One More Time

Dance her by me one more time  
The girl you're with used to be mine  
But look away when you go by  
I don't want her to see me cry  
In the heart that you now know  
Lives a memory of long ago  
And of a fool that was so blind  
Please, dance her by me one more time  
(one more time)

Until she was gone (do-do-do-do)  
I never knew just how to cry (do-do-do-do)  
I was so wrong (do-do-do-do)  
To ever say goodbye (ah-h-h-h-h-h)  
And though I've lost the one you love  
She's still the girl that I dream of  
So for a fool that was so blind (do-do-do-do)  
Please, dance her by me one more time  
(one more time)

Until she was gone (do-do-do-do)  
I never knew just how to cry (do-do-do-do)  
I was so wrong (do-do-do-do)  
To ever say goodbye (ah-h-h-h-h-h)  
And though I've lost the one you love  
She's still the girl that I dream of  
So for a fool that was so blind (do-do-do-do)
