

Sonya Kitchell, I'd Love You

I'd love you if you wanted me to
But you seem so unsure
I'd love you if you wanted me to
Tell me honey what I'm waiting for

Oh, I feel like I'm a puppet tinkling on a string
And I hate the way that you can make me do anything

The way I'd love you, I cannot say
Reasons are reasons
Emotions are funny that way
Reasons are reasons
Some things can't be explain

I'd love you if you wanted me to
But I don't think that you know
I'd love you if you wanted me to
When you say style of it ready to go

But I'm tired of playing your little game
And I might give up, tell me, would you notice anyway

The way I'd love you, I guess I know
You are sweet and kind and your spirit glows
You are sweet and kind and it really, really shows
Yes, it shows

The way I'd love you, I cannot say
Honey, reasons are reasons
Emotions are so funny that way
Reasons are reasons
Some things can't be explain
No they can't, they can't be explain
They can't

Did you know, did you know that I'd love you
