

Soopafly, Pimp City

(Chorus: Soopafly + (Daz))

My name is Soopafly (Pimp nigga)

And I don't give a fuck about no bitches out to get us

How the hell that sound?

(D-A-Z) Pimp nigga

(And I don't give a shit about nothin' but my grip)

And where you from? (Dogg Pound)

Yeah that's right

(And if a bitch can't swim then she bound to drown)

(Soopafly)

It's Soopa-doop in the coupe, game tight, regroup

Everybody want a piece of it but can't touch the least of it

I walk around pimp struttin' like the chief of shit

Gettin' rich but it ain't from no bitch

Now this heffer told me she had a bone to pick

I gave her just what she wanted, whipped out my dick

Said if you break it off make a wish, give it a kiss

Soopafly one funky nigga you can't miss

I crept off with a bad somethin', dick wantin', ass jumpin'

Pumpin' game, bullshittin', but it's all hittin'

I told him you can't give up the cat and get a kitten

It's just the game spittin'

I feel ashamed gettin' - ass so quick and fast, it hurts

Oh you wanna kick it?, question number one: do you work?

Wanna know why all the hoes call me Soopafly

Cause if my dick was a blunt bitch ya all be high

(Chorus: Soopafly + (Daz))

(Outro: Soopaflly talking)
And that's for real, you know what I'm sayin'?
I don't give a fuck if you didn't have a house
If you was on the street... (bitch!)
Damn it, you ain't gettin' a penny from me
God damn, I swear, man...
I couldn't even be more serious than I am boy
I can't pay a hoe shit, you know what I'm sayin'?
Did that hoe help me play the keyboard? (Fuck nah!)
Did that hoe help me make this beat? (Fuck nah!)
Did that hoe help me write this rhyme? (FUCK nah!)
No she didn't, therefore that equals zero, cero
Say it in French, Spanish, Russian - it all equals nothin'
That's what you get: nothin' (nothin')
So remember my name Soopaflly, remember nothin'
Cause that's what you're gettin' bitch (nothin'!)
Nothin', I can't even say, nothin'
Shit... oh yeah, but this dick
Now that's for free (beotch, beotch)
I don't know, sometimes I'll make a hoe pay for that
I don't know, shit, you know what I'm sayin'?
This shit so great, like Tony the Tiger or some kinda shit (GRRREAT!)
But it's all good, it's just some pimp shit
Me and my nigga Daz, you know what I'm sayin'
We just continue to put it down
Givin' a fuck about a bitch, and givin' a shit about a hoe
(That's what I'm sayin') It's like that
Keep it goin' baby (gobble my nuts!)
