

# Sophia, Directionless

I say goodbye to my friends  
some I've known for years  
this is the first time I've felt the fear  
I kiss my baby she's just one month old  
I kiss her mother nothing I say can console

I guess I'm losing my direction  
I'm losing my direction

step on a train  
wave underwater  
I don't know if I'll be back again  
I try to say "it'll be ok";  
it's not the first time I've run away

I guess I'm losing my direction  
I'm losing my direction
