## Sophia, Fool

Hey boy Look, I told you so You don't know where you're running And I can tell by the lines on your face Your hate has its reason But people are like seasons Yeah everybody changes

Fool Fool, who are you running from Yeah fool Fool, who are you running from Who are you running from

Hey boy Listen, don't beat yourself up Someday you will find someone to trust And just remember that all is not always black Yeah people are like seasons Yeah everybody changes
