

# Sophie B. Hawkins, Bare The Weight Of Me

Oh I  
Never knew  
I was unkind  
'Til I met you  
So how  
Can I believe  
You will suffer with me  
If I should ask you to

Bare the weight of me  
Bottom belly legs chest hands feet face of me  
Stare into space because of me  
Dare to let nobody take the place of me  
Why has it been so long  
I long to be the one  
You have a handle on

For I Never cared  
To be led  
Beyond my despair  
And how  
Strange to now see  
Crumbs of deceit  
Following me  
So how can you

Bare the weight of me  
Bottom belly legs chest hands feet face of me  
Stare into space because of me  
Dare to let nobody take the place of me  
Why has been so long  
I long to be the one  
You  
Have a han-  
dle  
on.
