

Sophie Ellis-Bextor, Hypnotized (feat. @Wuh Oh)

You always knew how to creep into my head
Always finding ways to sleep in my bed
You have always kept me hypnotiz-ed
You will never have the key to my heart

Pay attention to the things that I said
I had told you I was sick of crying
When you gave me promises of paradise then
Took them back again before my eyes

Here we go, at it again you see this
Position is not for me and
It just wasn't meant to be the
Decision is mine to leave you so

I've grown so tired of the mind games you play
So warm in the night yet so cold in the day

I've seen the light and I'm moving along
It never was right and I'm done with your wrong

You always knew how to creep into my head
Always finding ways to sleep in my bed
You have always kept me hypnotiz-ed
You will never have the key to my heart
