

# Sophie Hunger, Round And Round

In the backyard you say  
Let's have a family  
In the frontyard, you know  
Oh don't you, away from me  
In the papers you saw  
I'm as free as free can be  
In your footprints, oh  
You left no legacy

Round and round and round and round you go  
Over you are nobod-nobody knew  
Cause round and round and round and round you go  
Funny aha  
Blow-up and blow-and blow-up and blow-up  
A-yeah-ha-i, to run away-ha  
Follow and follow and follow i-yeah-yeah, ha-i funny aha  
Blow-up and blow-and blow-up and blow-up  
A-yeah-ha-i, to run away-ha  
Follow and follow and follow i-yeah-yeah, ha-i

In the backyard I saw  
I saw the family  
In the front yard, I wrote  
I wrote on diary  
In the papers my notes  
I will I will for eternity  
Now my footprints, a-oh  
You are my legacy

Round and round and round and round you go  
Over you are nobod-nobody-no  
Cause round and round and round and round you go

You were shot in the head  
When I thought I was home  
And I keep throwing you up  
So I won't feel alone  
I still hate you around played it all night  
And I wake you make you make you yeah

You were shot in the head  
When I thought I was home  
And I keep throwing you up  
So I won't be alone  
I still hate you around played it all nights  
And I wake you and make you and brake you again

Oh-ooo-ho-ooo-ho  
Oh-oh-oh-oh-ho-oh-ho
