

Sophie Zelmani, So Good

It will be better in the morning
They said the sun might shine
I'll have you close, you'll have the deeps of mine
It will be better, much better
Suppose it would rain
How I would smile
It would be pretty easy, keep you lying for a while
It will be better, much better
It'll be so good
In fact we don't have to do anything
Whatever goes wrong
We've still got everything
It can't be better, can't be better
It's so good, it's so good
And better, and better
