

Sos, Alles Gute

What is love - cuz baby I don't know
I got a funny feeling in my heart
If this is love it feels like butterflies
You're - you're my number one - I'd do anything for you
Catch the rain from the sky - even hold back
Tell me what - what I have gotta do
Cos I wanna lay a claim on you baby
To make you mine - for no
I know I've never felt like this before
You're like a drug you've got me wanting more
I've got to let you
And there ain't nothing I won't do
I'd walk on water just to be with you...
Baby, Baby
You're - you're my number one - I'd do anything for you
Catch the rain from the sky - even
