

# Soul Asylum, Just Plain Evil

You sold your soul for a lump of coal  
She's blacker than the night  
Didn't think you'd be needing it  
But you thought ??  
But you never know who you might meet  
On the street where the church bells ring to a different beat  
Is it joy, is it pain?  
Is it rustin' in the rain?  
Do you really think I need it?  
Is it just plain evil?  
Heard of a man who had a plan  
To save the wretched world  
Nationwide genocide  
??  
Like one-eyed jacks  
And suicide queens  
Look out for ?? if you know what I mean  
Is it good, is it bad?  
Is it bitter, is it sad?  
Is it inside all these people?  
Is it just plain evil?  
You've got a lot to learn  
You've got a lot to change  
You've got nothing to lose  
But a ball and chain  
Is it good, is it bad?  
Is it bitter, is it sad?  
Do you really think I need it?  
Is it just plain evil?
