

# Soul Asylum, Little Too Clean

Thought I heard you screaming  
And pulling out your hair  
Furious and steaming  
A state upon your stare  
Don't you know  
Dirt will find you and  
Dirt reminds you that  
Dirt will always be there  
It's only  
Dirt around you and  
Dirt surrounds you and  
Follows you everywhere  
Here's a dirty joke, man  
Filled with filth and smut  
The heart of it, it sparkles  
The more it can corrupt  
Don't you know  
Dirt can't hurt you  
I'm truly certain  
Usually washes out  
Don't you know  
Rain will wash out the  
Stain and all of your  
Pain will work itself out  
Work it out  
'Fraid you've lost your innocence  
To some-odd social scene  
You're right on top  
But you've been replaced  
By a shiny new machine  
And dirt keeps following you  
And you don't know what it means  
You're a little too clean  
A little too clean  
A little too clean  
One day dirt will bury you and  
You will understand  
There is nothing much more than the  
Ground on which you stand  
Don't you know  
Dirt will find you and  
Dirt reminds you that  
Dirt will always be there  
It's only  
Dirt around you and  
Dirt surrounds you and  
Follows you everywhere  
'Fraid you've lost your innocence  
To some-odd social scene  
You're right on top  
But you've been replaced  
By a shiny new machine  
And dirt keeps following you  
And you don't know what it means  
You're a little too clean  
A little too clean  
A little too clean
