

# Soul Asylum, Miss This

Oh won't you look at that  
'Cause it won't be there for long  
Hey if you look away  
Soon it will be gone

And I won't say I told you so  
And I won't tell you you were wrong  
But you're gonna miss this when it's gone  
You're gonna miss this when it's gone

Hey won't you look at this  
Look at all that we have done  
Oh we are so busy  
There is no time to have fun

And I won't make you do a thing  
I won't say anything  
But you're gonna miss this when it's gone  
You're gonna miss this when it's gone

I'll never say I told you so  
Never tell you you were wrong  
But you're gonna miss this when it's gone  
You're gonna miss this when it's gone
