

Soul Coughing, 4 Out Of 5

Her knees thrust in one direction
like a symbol of math, a symbol meaning Greater Than.

I come recommended by four out of five,
I'm a factor in the whole plan.

Four and five therefore nine,
Nine and nine therefore eighteen,
Eighteen and eighteen therefore thirty-six,
Four and five therefore nine.

Sometimes I was
drifting on a coffee buzz.

Quantify my luck
I need a mercy fuck.

You crowd me out.
You crowd me out.
