Soul Coughing, Sugar Free Jazz

Normalize the signal and you're banging on freon Paleolithic eon Put the fake goatee on

And it booms as cool as Sugar free jazz Schools he bombs, he bombs

Stack wax lie like a placemat Won't lap Or help you at the automat

And it's clear and clean as Sugar free jazz Schools he bombs, he bombs

Fossilize apostle and I comb it with a rake You can't escape You pull out the brake

And it booms as cool as Sugar free jazz
