

# Soul II Soul, A Dream's A Dream

i can see, i can see, i can see, i can see,  
i can see right through you  
i can see, i can see, i can see, i can see,  
i can see right through you

a dreams a dream and i am wishing on a star  
so through the darkness show me who you are  
a dreams a dream and i am wishing on a star  
so through the darkness show me who you are

i have a picture, a thought in mind  
now its time to realise  
this is something you should analyse  
in your mind

are you dreaming wishing on a star  
a dreams a dream and so a star  
so through the darkness, show me who you are

are you dreaming wishing on a star  
a dreams a dream and so a star  
so through the darkness, show me who you are

now as i see the things in front of me  
open my arms and welcome you  
that hoping this dream will come through  
so many rivers to cross  
somehow you could get lost  
but by the time im through  
i can see right through you

i can see, i can see, i can see, i can see,  
i can see right through you  
i can see, i can see, i can see, i can see,  
i can see right through you

i am dreaming wishing on a star  
a dreams a dream and so a star  
so through the darkness  
show me who you are

i am dreaming wishing on a star  
a dreams a dream and so a star  
so through the darkness  
show me who you are

now i can see all these things in front of me  
ill open my arms and welcome you  
and i hope that this dream will come true

i can see, i can see, i can see, i can see,  
i can see right through you  
i can see, i can see, i can see, i can see,  
i can see right through you

im wishing on a star,
