

# Soul Junk, All Lids

O God, you are my God,  
Earnestly I seek you  
My soul thirsts for you  
My body longs for you

I rest my soul in God alone  
My hope comes from him  
My hope comes from him  
I rest my soul in God alone  
He alone is my rock and my salvation  
I rest my soul in God alone

I have seen you in the sanctuary  
Beheld your power and your glory  
Because your love is better than life  
My lips will glorify you

I rest my soul in God alone  
My hope comes from him  
My hope comes from him  
I rest my soul in God alone  
He alone is my rock and my salvation  
I rest my soul in God alone  
He is my fortress  
I won't be shaken  
I rest my soul in God alone

I will praise you as long as I live  
In your name I will lift up my hands  
You satisfy me like a luscious fruit  
With singing lips my mouth will praise you

I rest my soul in God alone  
My hope comes from him  
My hope comes from him  
I rest my soul in God alone  
He alone is my rock and my salvation  
I rest my soul in God alone

O God, you are my God,  
Earnestly I seek you  
My soul thirsts for you  
My body longs for you

I rest my soul in God alone  
My hope comes from him  
My hope comes from him  
I rest my soul in God alone  
He alone is my rock and my salvation  
I rest my soul in God alone  
He is my fortress  
I won't be shaken  
I rest my soul in God alone
